

A Place to Grow Summer Program

Don't sit in a cabin in the rain this summer!

- ▣ Programming is geared towards children ages 6-9. The small age range ensures we are able to meet the needs of every child in our program.
- ▣ Group ratios are small with less than 10 children and 2 staff.
- ▣ Group lead has a BA in Natural Science and Math. She is all about exploring the environment by being in it. Getting wet and messy is her forte!
- ▣ Program schedule will be adapted to maximize opportunities given the weeks weather patterns. We won't let a rainy days ruin your camp experience!
- ▣ Children participating in programming must be ok with being on the go for a full day. We will be out and about hiking, biking, and exploring all day!
- ▣ Programming is available 7-5:30 pm! Drop off and pick at your convenience! No buses to catch!

Highlights include

- ▣ Karate
- ▣ Swim Lessons
- ▣ Yoga
